Book message to Grunert and Pratt signed Marshall.

To protect the public against serious injury from Japanese balloons desired that word of mouth campaign be initiated immediately. It is recommended that in general two organizational media be used in reaching the public in the 7th 8th and 9th Service Commands:

- A. State educational systems and
- B. Civic organizations such as Associations of Commerce, Rotary, Kiwanis, Lions and the like. Present policy with reference to press and radio will be maintained.
