Re Dallas let 2/28/61.

A review of ONI 8th Naval District Records United States Naval Station, Algiers, Louisiana on April 18, 1961 reflected the following information which may be of assistance in connection with instant investigation.

File on OSWALD reflected an ONI Report by SA JOHN T. COX dated January 27, 1961, File 33-476, captioned JOHN EDWARD PIC (DOB 17, Jan. '32 S Sgt. AF 11313239 USAF Hospital TACHIKOWA, APO 323 Communist Matters). In brief this report reflected information concerning PIC'S reporting to ONI, that LEE HARVEY OSWALD was his half brother. Basis for PIC inquiry was that he had heard that OSWALD had turned in his United States Passport to the American Embassy at Moscow with intentions of removing his American Citizenship. This report containing some background information with respect to OSWALD and his family. There was only one copy of this report available in the file; however, it was noted that a copy had been furnished to Carswell Air Force Base, Fort Worth, Texas.

Also in this file was a photostatic copy of a telegram from the Department of State, Moscow, Russia dated October 31, 1959 at 7:59 AM carrying Control Number 20261 and another number 1304, which stated in part "LEE HARVEY OSWALD unmarried, age 20 PP 1733242 issued 9/10/59 appeared at Embassy to renounce his American Citizenship applied in Moscow for Russian Citizenship following entry USSR from Helsinki 10:15. Mother's address and his last address in United States 4936 Callinwood Street, Fort Worth, Texas; Says, I have contemplated last two years. Main reason "American Marxist attitude - arrogant, aggressive; recently discharged Marine Corps Says, has offered Soviets any information he has acquired as Enlisted Radio Operator." This dispatch was signed FREES and apparently directed to the State Department, Washington, D. C.

The file also disclosed a photostatic copy of a memorandum report dated November 2, 1959 which was signed EDWARD F. FREES Charge d'affaires, ad interim, American Embassy. This

report reflected an interview with OSWALD at the American Embassy at Moscow October 31, 1959; however, the quality of the photostatic copy was so poor that it was impossible to review.

Also in ONI'S file was a memorandum dated October 26, 1959 bearing a Control Number 1178 concerning ROBERT EDWARD WEBSTER. This memorandum which was a photostat furnished information concerning WEBSTER, who appears to have defected to the Russians at about the same time as OSWALD. This individual was identified as having been discharged from the United States Navy 1951, USN Serial Number 7917938. Here again the photostatic copy was impossible to review because of the poor quality.

There appeared a photostatic copy of a November 3, 1959 article which appeared in a Fort Worth, Texas newspaper, which showed it was a UPI dispatch. It related to an interview with ROBERT L. OSWALD brother of LEE HARVEY OSWALD. Also was an autostatic copy of a newspaper story from the "Washington Post", Washington, D. C. newspaper dated November 16, 1959 which indicated that subject had been informed by the Russians that he would not be granted Russian Citizenship but would be allowed to live in Russia as an resident alien. A picture of OSWALD accompanied this brief article. There was another photostatic copy of a story from the "Washington Post" dated November 1, 1959 in which had been dispatched by UPI and which related to the defection of subject.

A photostatic copy of a "Washington Evening Star" article dated November 26, 1959 appeared in this file entitled "U. S. Defects to Reds Determined Marxist at 15". This story related to subject and had been written by PRISCILLA JOHNSON for the "North American Newspaper Alliance". This article mainly reflected an interview with subject.

There was also found in ONI'S file a photostatic copy of a "Speed" letter dated March 8, 1960 to the Commander Marine Air Reserve Training Command, Naval Air Station, Glenview, Illinois from Commandant of the Marine Corps Headquarters United States Marine Corps, Washington, D.C. and signed A. LARSON was stated as follows:

"Arrangements being made with a Federal Investigation Agency to furnish you with report which relates to PFC LEE HARVEY OSWALD, Number 1653230 USMCR inactive, CMN, a member of your Command X, upon receipt CMM. You are directed to process PFC for discharge IAWPARA.10277.2.f MARCORMANX."

DECLASSIFIED

In reviewing this file it appears that much of the above material had been furnished to ONI 8th Naval District by ONI 9th Naval District.

Since New Orleans does not have any background information with regards to this investigation, nor is aware of what investigation is contemplated, no leads are being set forth in this communication, other than it is suggested that Dallas at Fort Worth may desire to review ONI'S files at Carswell Air Force Base concerning subject.

The above investigation was conducted by Special Agent JOHN L. QUITLEY.

Re Dallas letter to New Orleans, 2/28/61, requesting that District Intelligence Office, 8th Naval District, be contacted for pertinent information from DIO files pertaining to subject.

On 4/10/61, Mrs. MARGUERITE C. OSWALD, aka., Mrs. Edward Lee Oswald, telephonically contacted SA JOHN W. FAIN at the Fort Worth RA and stated that she is currently residing at 1612 Hurley Street, Fort Worth. She advised that she had returned to Fort Worth about the first of April 1961 to live. She explained that she had been recently making her home at Boyd, Texas, where up until about 4/1/61 she had operated a dress shop but that this venture was a failure.

Mrs. OSWALD also volunteered the information that she had made a trip to Washington, D. C., during January 1961, for the purpose of contacting the Secretary of State's Office for information concerning her son, LEE HARVEY OSWALD. She advised that upon her arrival at Washington, D. C., on 1/26/61 she was interviewed by a Mr. HASSELMAN, Chief of the Passport Office, U. S. Secretary of State, and two other representatives of the section having to do with Soviet affairs. She stated that she furnished these individuals with all information she possessed concerning her son and sought their help in ascertaining his current address. She stated that during the following month or after a lapse of about four weeks, she had learned that subject was at Minsk, Russia. She advised that it is her understanding that subject desires to return to the U. S. Mrs. OSWALD stated she would be glad to cooperate with the FBI in furnishing any additional information required.

It is noted that SA FAIN interviewed Mrs. OSWALD on 4/28/60 in connection with Dallas file 105-976 captioned "FUNDS TRANSMITTED TO RESIDENCES OF RUSSIA, IS-R," in which NYC was origin. On that occasion, Mrs. OSWALD voluntarily furnished a photograph of subject and the following description:

DATE: 8/21/63

On 8/21/63 at approximately 10:00 a.m., BILL STUCKEY, who was formerly with one of the New Orleans newspapers, telephonically advised he is no longer with the newspaper but is now connected with the Ross Agency, which is an advertising concern, telephone 529-2274, and also has a Latin American program on WDSU radio.

He advised that within the recent past he had interviewed LEE HARVEY OSWALD and has a 32 minute tape of his interview with OSWALD. He said this interview took place on the night of 8/20/63 and was in connection with OSWALD's claim that he is an officer in the local Fair Play for Cuba Committee. STUCKEY stated that as the FBI was probably aware, OSWALD was recently arrested by the NOPD.

STUCKEY stated his call was for the purpose of determining if the Fair Play for Cuba Committee had been cited as a subversive organization.

I advised STUCKEY I could not furnish him an answer to this question and suggested he contact the Internal Security Section of the U. S. Department of Justice.

STUCKEY stated he appreciated this information and that he would probably call.

Prior to terminating the conversation, STUCKEY mentioned at 6:05 p.m., 8/21/63, OSWALD will appear on a radio program over WDSU which will last for approximately 30 minutes and that this program will be a debate type program. EMERGENCY CIVIL LIBERTIES COMMITTEE

The "Guide to Subversive Organizations and Publications," revised and published as of December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., contains the following concerning the Emergency Civil Liberties Committee:

"Emergency Civil Liberties Committee

"1. 'The Emergency Civil Liberties Committee is an organization with headquarters in New York, whose avowed purpose is to abolish the House Committee on Un-American Activities and discredit the FBI. * * * The committee finds that the Emergency Civil Liberties Committee, established in 1951, although representing itself as a non-Communist group, actually operates as a front for the Communist Party. It has repeatedly assisted, by means of funds and legal aid, Communists involved in Smith Act violations and similar legal proceedings. One of its chief activities has been and still is the dissemination of voluminous Communist propaganda material.'

'FRANK WILKINSON was called as a witness when he appeared in Atlanta as a representative of the Emergency Civil Liberties Committee to propagandize against the Committee on Un-American Activities and to protest its hearings. In 1956 WILKINSON was identified as a Communist Party member by a former FBI undercover agent within the party. Summoned at that time to answer the allegation, his reply to all questions was, "I am answering no questions of this committee." This also became his stock reply to questions when he appeared during the Atlanta hearings. * * * WILKINSON has since been convicted of contempt of Congress and sentenced to one year in jail.'

a characterization of CORLISS LAMONT.Characterization of CORLISS LAMONT

On September 28, 1953, LOUIS F. BUDENZ testified before the United States Senate Permanent Investigations Subcommittee that EARL BROWDER, as head of the Communist Party (CP) in the United States, had referred to CORLISS LAMONT as one of the "four prides" of the CP because CORLISS LAMONT was ready to cooperate with any Communist front or any Communist cause. BROWDER made this reference at a National Committee meeting of the CP in the early 1940s. BUDENZ also recalled that LAMONT was a member of the CP when he, BUDENZ, was a member.

"Rights", self-identified as a publication of the Emergency Civil Liberties Committee (ECLC) April - May, 1962 issue, reveals CORLISS LAMONT is Vice-Chairman of the ECLC.
