

This is a letter directed to Mr. ^XHenry Lee, head of the Fair Play for Cuba Committee, New York City. The contents are as follows:

"Dear Mr. Lee

"I was glad to receive your advice concerning my try at starting a NO FPCC Chapter. I hope you won't be too disapproving at my innovation but I do think they are necessary for this area.

"As per your advice, I have taken a PO Box (Number 50061).

"Against your advice, I have decided to take an office from the very beginning.

"I you will see from the circular I had jumped the gun with charter business but I don't think it's too important. You may think the circular is too provocative, but I want it to attract attention, even if it's the attention of the lunatic fringe. I had 2,000 of them run off.

"The major change in tactics you can see from the small membership branch is that I will charge \$1 a month dues for the NO chapter only, and I intend to issue a NO FPCC membership card also.

"This is without recourse to the \$5 annual national FPCC membership fee.

"However you will lose nothing in the long run because I will forward \$5 to the National FPCC for every New Orleans Chapter member who remains a dues paying member for five months in any year.

"It's just that the people I am approaching will not pay \$5 all at once to a committee in New York which they cannot see with their own eyes.

"But they may pay a dollar a month to their own chapter after having received their membership card from my hand to theirs. Also I think such a dues system binds the members closer to the FPCC.

"I will promise only a membership card and a chapter vote to future members, that is, I don't expect you to send them national FPCC mailing for their \$1 a month

"As soon as any member has paid dues adding up to \$5 in any year I will forward that fee to you and then you may handle it as if it was a usual application for membership in the National FPCC.

"In any event I will keep you posted and even if the office stays open for only one month more people will find out about the FPCC than if there had never been any office at all, don't you agree?

"Please feel free to give advice and any other help.

"Yours truly
