Dear Mrs. ORAID:

The letter of Commander, Marine Air Reserve Training, 50/JET:erc
Over 1900 of 26 April 1960, to your son was prompted by his request for
Naval citizenship. An investigation concerning this matter has been
conducted by military authorities and the case will be placed before a
board of officers which will recommend that your son be retained in, or
separated from the U. S. Marine Corps Reserve.

Your son, of course, has the right to appear in person or to present
any facts or evidence which would assist the board in reaching its de-
cision. The letter of 26 April 1960, informed him of these rights. In
view of the fact that he has not informed this Headquarters of his cur-
rent address and that he has left the United States without permission,
it is considered that a letter sent to the last address on file at this
Headquarters is sufficient notification. A letter will be sent by
certified mail informing your son of the convening date of the board.

Should you be aware of any facts or information which would assist
the board in evaluating your son's case, it is suggested that you for-
ward them to this Headquarters.

It is requested that action of this nature must be taken in your
son's case.
