1. References (a), (b), (c), and (d) were letters of transmittal forwarding to the Commandants of all Naval Districts schematic diagrams showing the subversive activities of individuals and organizations on a national or international scale as indicated in references mentioned.

2. Each of these references contained a paragraph stating that each District Intelligence Officer should, without unnecessary delay, prepare a detailed schematic diagram of the subversive activities described within his own district and forward four copies to the Office of Naval Intelligence.

3. To date many Naval Districts have not forwarded all of the schematic diagrams called for in these references, and it is desired that immediate attention be given to this matter and four copies forwarded to the Office of Naval Intelligence in every case where this action has not already been taken.

4. The urgency of delivery of this document is such that it will not reach the addressees in time by the next available officer courier. The originator therefore authorizes the transmission of this document by registered mail within the continental limits of the United States.

5. It is hereby certified that the originator considers it impracticable to phrase this document in such a manner as will permit a classification other than secret.
