Regulations for Intelligence Duties of the Western Sector Guard Unit.

Hqs Western Sector Guard Unit.

14 Aug, 1943

VI. Designated place, names and charts for operational test.

15. Place names for the SOLOMON Group may be abbreviated as in the annexed sheet No 7 for use within the OKI BUTAI. The abbreviated place names for BOUGAINVILLE I, and vicinity, as shown on annexed sheet No 8, may be used within the AKIRA BUTAI. Place names, other than the above mentioned, will be reported by each unit as soon as they are decided upon.

VII. The Handling of PW's and Captured Documents, Etc.

16. The PW's (including intelligence suspects), after the necessary investigation on the spot, will be sent to OKI BUTAI Hq through the Guard Unit Hq and Guard Hq (KEIBI SHIREIBU).

The disposal (TN: SHOBUN) of prisoners on the spot is prohibited; however, on sending them to the rear, your opinion as to whether or not it is necessary will be included.

17. When investigating PW, question them on the following points since they are of value in determining the enemy's practice and methods in the use of gas.

1. Plans of enemy to use gas. (Includes smoke)
2. The condition, supply and maintenance of their gas protective materials; especially are they equipped with masks?
3. Organization of gas service personnel.
4. Other reference materials.
